Fire Safety: Protecting Your Loved Ones and Property

October is Fire Prevention Month, dedicated to protecting our homes and families from fire hazards. The National Fire Protection Association (NFPA) named the second week of October Fire Prevention Week (Oct 8-14) in 1922 to honor the victims of the Great Chicago Fire that occurred in 1871. Today, Fire Prevention Week serves as a reminder of the importance of fire safety and prevention.

Your Social Security Number: Obtaining, Using, and Protecting Your Key Identifier

Millions of individuals and families in the United States rely on Social Security for financial assistance and peace of mind. It is crucial to understand when and how to obtain a Social Security number, how to utilize it, and when to exercise caution. Social Security has numerous important uses that must be understood to maximize its benefits.

Recipe of the Month

Apple Cinnamon Bread

Anyone who tries this apple cinnamon bread will be thrilled. It has a hearty texture and sweet, home-baked flavor, but none of the fat and calories.

Ingredients:

- 3 cups all-purpose flour
- 1-1/2 cups sugar
- 1 teaspoon baking powder
- 1 teaspoon salt
- 1 teaspoon baking soda
- 1 teaspoon ground cinnamon
- Two large eggs, room temperature
- 1/2 cup unsweetened applesauce
- 1/3 cup canola oil
- One teaspoon of vanilla extract
- 3 cups chopped peeled tart apples

Toppings:

- 1/2 cup all-purpose flour
- 1/2 cup sugar
- Two tablespoons chopped walnuts
- 1/3 cup cold butter

Directions:

1. Preheat oven to 350°. In a large bowl, combine the first six ingredients. In another bowl, whisk eggs, applesauce, oil, and vanilla. Stir into dry ingredients just until moistened. Fold in apples. Transfer to 2 greased 8x4-in loaf pans.
2. For the topping, combine flour, sugar, and walnuts; cut into butter until crumbly. Sprinkle over batter.
3. Bake until a toothpick inserted in the center comes out clean, 45-55 minutes. Cool for 10 minutes before removing from pans to wire racks.
